

ACTIVITIES ALMANAC

It's Sport America Kids Month so create a bulletin board with the theme "Summer Sports Fun" that features sports that

students might enjoy over the summer months. Display books throughout the library media center that will connect students to stories and information about sports-related topics and create reading lists they can take home for summer break. Grades K-12

Flower of the Month: Rose or Honeysuckle
Birthstone of the Month: Moonstone or Pearl

Adopt-a-Shelter Cat Month
ASPCA Public Affairs Dept.; <http://www.aspcanet.org>

Atlantic, Caribbean, and Gulf Hurricane Season (June 1-November 30) and Central Pacific Hurricane Season (June 1-October 31)

Cancer from the Sun Month
Pharmacy Council on Dermatology; <http://www.ppsinc.org>
Have students create short PSAs about the importance of sun safety for summer. Post them on the website, publish them in the school newsletter, share them with the entire student body, or offer them to the local radio station for airing throughout the month. Grades K-12

Celebration of the Arts
Yorba Linda Arts Alliance; <http://www.artsyl.org>
Work with the art teacher to have a school art fair. Have students create short biographical sketches of artists to display throughout the art show. Invite local artists to share their work along with student art. Invite parents and other community members to attend. Grades K-12

Child Vision Awareness Month
Pharmacists Planning Service, Pharmacy Council on Vision Care; <http://www.ppsinc.org>

Children's Awareness Month
National Children and Family Awareness of America; Administrative Headquarters, Judith Natale, CEO & Founder; E-mail:

childaware@aol.com
Use this theme to promote ideas to parents for summertime activities for children and young people that will keep them active and engaged while enjoying the summer. Create reading lists, programs at the school or public libraries, special classes, camps, art fairs, volunteer opportunities, and more. Grades K-12

Dairy Alternatives Month
VEGANET; PO Box 3545, Washington, DC 20027

Effective Communications Month
Spend some time thinking about ways to better communicate with administrators, teachers, students, parents, and others. What would each of these groups be most interested in knowing about the library media center? See Carl Harvey's article, "Under the Radar" in this issue, pages 47-48. Prof.

Entrepreneurs "Do It Yourself" Marketing Month
Lorrie Walters Marsiglio, Lorimar Communications, PO Box 284 CC, Wasco, IL 60183

Fireworks Eye Safety Month (June 1-July 31)
American Academy of Ophthalmology; <http://www.aaoo.org>

Fireworks Safety Month (June 1-July 31)
Prevent Blindness America; <http://www.preventblindness.org>

International Childhood Cancer Campaign Month
Optimist International; <http://www.optimist.org>

June Dairy Month
National Dairy Council; <http://nationaldairy.org>/www.nfdairy.org

June Is Turkey Lovers' Month
National Turkey Federation; <http://www.eatturkey.com>

Learn French Month
Guide Language Center; <http://www.guidelanguagecenter.com>

National Aphasia Awareness Month
National Aphasia Association; <http://www.aphasia.org>

National Candy Month
National Confectioner's Association; <http://www.candyusa.org/Classroom/calendar.asp>

National Iced Tea Month
Tea Council of the USA; <http://www.teausa.org>

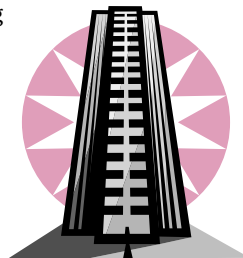

National Lady Lawyers Month
Kimberly Sobie; 815 N 40th St.; Seattle, WA 98103; potential@symarete.com
National Safety Month
National Safety Council; <http://www.nsc.org>

National Scleroderma Awareness Month
Scleroderma Foundation; <http://www.scleroderma.org>

National Soul Food Month
Culinary Historians of Chicago; <http://www.culinaryhistorians.org>

Skyscraper Month
BOMA International; <http://www.bomaconvention.org>

Have students research information about various skyscrapers. Create a database of information about each of the skyward structures. Introduce the idea with books like *Building a Skyscraper* by JoAnn Early Macken (Pebble Plus, 2008); *Skyscraper* by Lynn Curlee (Atheneum, 2007); *Building Big* by David Macaulay (Houghton Mifflin, 2004); or some oldies but goldies like *Unbuilding* by David Macaulay (Houghton Mifflin, 1987) and *Up Goes the Skyscraper!* by Gibbons (Atheneum, 1986). Grades 3-9

Sport America Kids Month
Kids World; <http://www.northvalley.net/kids/sports.shtml>
Have students review their online searching skills while researching various sports. Start with the *Kids World* link for not only a helpful topic list but also great links to other sites. Work with the art teacher so students can create graphic illustrations to represent the sport of their choice and to accompany their research findings. Grades 1-8

Student Safety Month
Teacher Planet; <http://www.teacherplanet.com/resource/safetymonth.php>
Have students research safety issues and create posters to be displayed throughout the school. Scan the posters to create a book that can be checked out from the library media center. Find ideas on the Teacher Planet website. Grades K-9

Vision Research Month
Prevent Blindness America; <http://www.preventblindness.org>

Black Single Parents' Network; 7732 S. Cottage Grove #431; Chicago, IL 60619

3 TUESDAY

Challenge students to find out more about the shape of the Earth by Googling "Chimborazo Day" for the answers. Grades 5-12

Ireland: Bank Holiday
 Hug Your Cat Day

<http://www.apricat.com>
 Have students find poems and stories about cats and have a "Cat Read" day. Have students retell stories and poems they have read or have them tell their own cat stories. Grades K-6

Founding of Mission of San Carlos in California—1770

Birthday of William Hone—1780-1842

Ride of Jack Jouett—1781

Birthday of Jefferson Davis—1808-1889

This is the 200th birth anniversary of Jefferson Davis. Have students find out more about this statesman, senator, and the president of the Confederate States. Grades 5-8

Birthday of Garret Augustus Hobart—1844-1899

First Baseball Uniforms Worn—1851

Birthday of Charles Steinway—1857-1919

Battle of Cold Harbor—1864

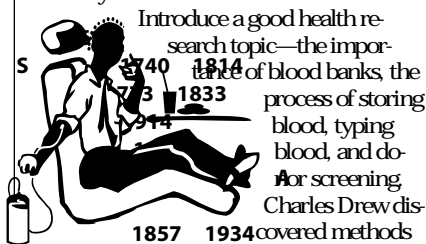

Birthday of Ransom Eli Olds—1864-1950

Birthday of George V of England—1865-1936

"Casey at the Bat" Published—1888

Birthday of Maurice Evans—1901-1989

Birthday of Charles Drew—1904-1950

Introduce a good health research topic—the importance of blood banks, the process of storing blood, typing blood, and donor screening. Charles Drew discovered methods for storing blood and created the blood bank system. Grades 6-9

Birthday of Josephine Baker—1906-1975

Birthday of Coleen Dwyer—1924-1991

Birthday of Allen Ginsberg—1926-1997

Duke of Windsor Married Mrs. Simpson—1937

Birthday of Curtis Mayfield—1942-1999

Loot Suit Riots—1943

Telescope at Mt. Palomar Dedicated—1948-1953

Check out a new site called *Build Green Schools* (<http://www.buildgreenschools.org/>) meant to "help visitors promote healthy, nurturing, environmentally friendly schools in their own communities." The new site was launched by the U. S. Green Building Council and is a resource for parents, teachers, and other community members to learn more and take action. Have students get involved and learn what can be done to make schools "green." Grades 7-12

 National Baseball Hall of Fame Dedicated—1939
 Summer and baseball go hand in hand. Work with P.E. and classroom teachers to create a Baseball Hall of Fame. Have students select baseball players to research and then use the information to create large-sized baseball cards that tell about their player. Use biography and reference resources—print and online—to locate needed information. Students can use technology skills to format and finalize the baseball cards to be entered in their Hall of Fame. Display the cards in the hallways near the gymnasium so all students can read up on famous players. Grades 4-9
 Birthday of Chick Corea—1941-

Birthday of Marv Albert—1943
