

6th Grade Winged Warriors Team 2011-2012

Dear Parents and Students,

We are excited about this new year and would like to welcome you to our team. We are looking forward to working with you this year and would like to introduce you to our team. The following teachers will be working with you this year.

Mrs. Adams	Social Studies	591-0745
Mrs. Baldrige	Language Arts	591-0742
Mr. Kimball	Math	591-0744
Mrs. Santavicca	Special Ed	591-0777
Mrs. Smeckert	Advisory/Art	591-0719
Mrs. Valley	Special Ed	591-0748
Mr. Zonca	Science	591-0776

We want this year to be successful for everyone and feel that communication is very important. Your child has received a Student Planner that they will need to carry to classes everyday. It is also important for parents to check these planners every evening. Assigned homework can be checked on PARENT WEB and progress can be checked on STANDARD SCORE. Both sites are fairly easy to use and access. If you are not sure about log-ins and passwords contact the office. Please free to call or email us with questions or concerns that you may have. Our conference time, excluding Mrs. Valley and Mrs. Smeckert, is from 12:40-1:30. You can also email at any time.

One special program available to sixth graders is STUDY SKILLS. Study Skills is a short period following lunch that students use to get extra help, finish tests, or work on assigned homework. If they don't have homework, it is a great time to catch up on reading. We ask that students have a book to read silently at all times.

Each teacher will supply a supply list on their individual letters that follow. As a team we have only a few requests. We ask that you supply 2 boxes of facial tissue to your Advisory teacher, and that you return pgs 36 & 37 of the Student Handbook completed and signed ASAP. Please note that the Photo/Video Release Form should be completed if YOU DO NOT want your child's picture taken. PLEASE NOTICE the Permission Slip attached.

Thank You,
The Winged Warriors Team Teachers
